

YOU CAN TRUST US TO OFFER
QUALITY WINDOWS
TODAY AND
TOMORROW

PREFERRED
CASEMENT &
AWNING WINDOWS

The Silver Line[®] 70 Series casement and awning windows offer a balance of style and convenience in an energy efficient window. With many configurations to choose from, these windows deliver design flexibility to complement virtually any home.

FEATURES YOU WANT

- A wide, flat profile with a curved exterior glazing bead creates an upscale design
- Opens effortlessly for effective ventilation
- Multi-point locking system operates smoothly for easy and secure use
- Folding operator handle eliminates interference with shades and blinds
- Fusion-welded, heavy duty vinyl for low-maintenance convenience
- Dual weatherstripping virtually eliminates drafts for a more comfortable, energy efficient home
- ENERGY STAR[®] qualified with the appropriate energy efficient options
- Limited lifetime warranty ensures your windows will perform for as long as you own your home[†]

A LIFETIME OF QUALITY

WHY SILVER LINE® WINDOWS & DOORS ARE THE CLEAR CHOICE.

Silver Line® windows and doors are designed for a lifetime of low-maintenance, energy efficient use. Built with durable and highly insulating materials and crafted with years of experience, you can install our windows and doors once and enjoy them for the life of your home.†

ENERGY SAVINGS & A COMFORTABLE HOME

Installing ENERGY STAR® qualified Silver Line® windows can help:

- Reduce your energy bills
- Make your home more comfortable year-round
- Reduce your impact on the environment

With Silver Line, you're getting more than just beautiful windows and patio doors. You're also getting a commitment to energy efficiency and the environment. The Andersen Corporation, including its subsidiary Silver Line, is honored to receive the 2012 Sustained Excellence Award, given only to organizations that have been named ENERGY STAR Partner of the Year for three or more consecutive years.

When you choose Silver Line windows and patio doors, you know you're getting energy efficient products that will last a lifetime.†

FAST & EASY INSTALLATION

- Integral nailing fin offers a fast and weathertight installation
- “J” channel option allows for easy trimming of exterior siding to the window
- Block replacement option easily replaces old, drafty window sash without disturbing the existing frame
- Wide size ranges ensure the window will fit your opening

CONFIGURATIONS TO FIT YOUR SPACE

We offer a number of configurations to meet your design needs, including:

CASEMENT

AWNING

COLOR

These colors are consistent throughout the window frame and sash, making scratches virtually invisible.

White

Beige

GLASS OPTIONS

LOE2 GLASS

Designed to efficiently and transparently reflect heat, this glass helps keep your home warmer in the winter and cooler in the summer.

LOE3 GLASS

This highly efficient glass helps reflect even more heat, resulting in increased comfort and energy savings year-round.

ARGON GAS FILL

An odorless, non-toxic gas that helps reduce heat loss, helping to save on heating costs.

TEMPERED GLASS

Heat treated glass that shatters into pebble-sized pieces instead of larger shards to reduce the risk of injury.

OBSCURE GLASS

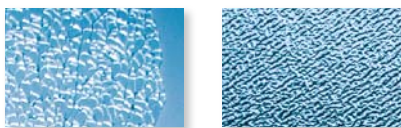

Textured glass that provides a translucent effect for added privacy.

TINTED GLASS

A slight shading of color (gray, green or bronze) helps control intense sunlight and helps reduce the sun's heat.

CLEAR GLASS

Dual-pane insulated glass is nearly twice as energy efficient as single pane glass.

Tempered Glass

Obscure Glass

HARDWARE

FOLDING HANDLE AND LOCK

Silver Line[®] casement and awning windows include a color coordinated folding handle that eliminates interference with shades and blinds. The coordinating, slim profile lock offers easy and secure operation.

DRYWALL CHANNEL

Drywall Channel
(Drywall not included)

Printing limitations prevent exact color duplication. See your Silver Line supplier for actual color samples. Silver Line does not warrant that inert gas infills (such as Argon gas), sealed in the insulated glass unit at the point of manufacture, will not dissipate over time. Silver Line reserves the right to change product designs, specifications, details and pricing at any time without prior notification.
